Awards and recognitions

for the best technologies, practices, Achievements and presentations

The Inpaper International, a Journal on the world pulp and paper industry, in association with IARPMA, has constituted various awards and recognitions along with cash prizes to appreciate and encourage the speakers and start-ups of young minds in the pulp and paper industry who are making presentations during the Paperex'2023 Technical Conference. The winners will be selected by the prominent juries from the three days of technical presentations to be held from December 6–8, 2023. The winners will receive their awards during the valedictory function of Paperex'2023 from the Chief Guest of the event. This is an opportunity for the technology suppliers and technocrats to widely publicise their technologies and ideas among this large pulp, paper, and allied industry.

The purpose of the Paperex Award Programme is to identify the best of the best presentations to pay tribute to excellent and engaging speakers and top sessions identified during the conferences.

Features of Technical Conferences:

- Presentations on world-class technologies and innovative ideas by well-known scientists, academicians, and technocrats.
- Deliberations on modern marketing and management
- Inspirational brain-storming sessions by modern "management

Awards & Recognitions for Best Technical Presentations:

- 1) Dr. B.L. Bihani Memorial Award
(Cash prizes and medals/Trophies)
- 2) IARPMA Paperex Awards
(Cash prizes and medals/Trophies)

IARPMA achievement awards

- Indian Paper Industry Recognizes the Contributions of Indian Paper Industry Veterans
- Achievements of Indian Paper Mills
- Achievements of Indian Technology and Machinery Manufacturers

Recipients will receive recognition from the Chief Guest of the Paperex Events.

Award Function organised by:-
